Short description

This course aimed to provide teachers and education staff working in diverse environments, or those interested in developing students' tolerance, with tools, strategies, and best practices to address and promote diversity in the classroom while overcoming prejudices and discrimination.

Learning Outcomes

- ✓ Got familiar with the key challenges and concerns in acknowledging and promoting diversity;
- ✓ Shared and discussed concrete examples, ideas and tools to inspire and support teachers in their lesson planning;
- ✓ Learned how confront head-on stereotypes and personal prejudices, while developing cultural sensibilities and tolerance;
- ✓ Explored different points of view through the participation of simulation exercises and storytelling;
- ✓ Learned new teaching methods and tools that can be applied to promote diversity and tolerance in the classroom;
- ✓ Exchanged good practices and discussed challenges with fellow teachers and the course trainers.
